

SPRING SUMMER

Bebefield

BABY INSIDE

BEBEFIELD.

We design our collections for pregnant women so that they feel fashionable, comfortable and beautiful through these 9 special months.

We want them to enjoy their pregnancy and pamper themselves with products that provide style and well-being.

WE ARE CONSTANTLY RESEARCHING NEW TRENDS.

Our new collection is characterized by distinct fabrics, beautiful colours and original patterns. The most dominant colours are beige, red, orange, deep green, burgundy and grey, which ideally match pure white, different shades of ecru, black, as well as incessantly fashionable denim.

WE INVITE YOU TO CHOOSE

from a selection of great basics, such as jeans with the perfect fit, every day lounge-wear or elegant dresses and business outfits for formal events. Whether you need some casuals, a classic business suit or an elegant gown for your big day – with Bebefield maternity wear you will find exactly what you need. We give you the possibility to continue to dress the way you like – modern, casual, sexy - according to your personal style.

WE ALWAYS MAKE SURE THAT BEING TRENDY GOES HAND IN HAND WITH FEELING COMFORTABLE.

We achieve that through fitting systems which make Bebefield clothes discreetly adjust to your changing figure. Most of them may be worn both during pregnancy as well as afterwards. We work with stretchy, elastic materials that expand with your bump and guarantee a good fit throughout pregnancy. Our clothes are manufactured by European producers we have successfully cooperated with for many years
